

FREE DROP-IN WOODWORKING EVERY THIRD SATURDAY OF THE MONTH AGES 5 - 15

**UPCOMING WOODWORKING CLASSES
EVERY THIRD SATURDAY OF THE MONTH
FROM 11 AM - 1 PM AT SSP:
Jan. 20 / Feb. 17 / Mar. 16 / Apr. 20 / May 18
/ June 15**

Grab your closed-toe shoes and join us for drop-in woodworking classes every third Saturday of the month from 11 am - 1pm at Side Street Projects Headquarters! Open to ages 5 - 15 (5-year-olds must have finished one semester of kindergarten).

Students will learn about art, design, and engineering by building wooden projects using only raw materials, hand tools, and imagination. Each classroom has individual adjustable workbenches equipped with everything needed to create a multitude of woodworking projects. Professional Teaching Artists will guide students in creative problem-solving and how to use tools safely, effectively, and confidently on their own.

No need to sign up just show up!
